Dear Craig,

I just wanted to take a moment to tell you how glad we are to be apart of "Apartment Rental Map". We have received quit a bit of traffic. We are so far off the main road that it is hard to get sufficient traffic. Since we started using your map (6 months ago) we are now at 100% occupancy and working on our waitlist. We have had several move-in that came to us because of your map. My leasing agent uses them in our out of state applicant packets to be mailed. We also get a lot of Disney applicants because of your wonderful map because you deliver your maps to the Disney casting center. I have noticed that you market in the places most of our clients come from. We are happy to be working with you and we just wanted to take a minute to let you know that we appreciate all of your hard work.

Sincerely,

Melissa Sexton
